The primary goal of the Hakone Foundation's Capital Campaign is to raise funds for the expenses associated with the renovation construction of the Hakone Pond project. These costs include all design change and construction costs, and all associated campaign and project management costs. Please call Shozo Kagoshima, Executive Director, at (408) 741-4891, or via email at shozo.kagoshima@hakonegardens.org if you would like further information.

Thank you for your support!
